ARE YOU GETTING THE MOST FROM YOUR WORKER'S COMPENSATION PROGRAM?

Dimond Bros. Insurance knows that one of the largest expenses in a foundry, forging, or stamping operation is Workers Compensation Insurance. Does your current insurance program include:

:: Group Dividend – Exclusive dividend platform with opportunity to share in the profitability of the program!

:: Specialized Loss Control - Improve your ROI with specialized safety services including Air Quality testing!

:: Dedicated Adjusters – Minimize employee lost time/indemnity costs with dedicated local Nurse Case Managers!

:: Monthly Loss Reports – Manage your claim costs with up to date "real time" loss reports!

:: Onsite Claims Review – Claims Review Meetings held at your site, at your convenience, with your management!

LET US SHOW YOU WHAT THIS NEW PROGRAM COULD DO FOR YOU!
