

## ENVIRONMENT HEALTH SAFETY PARTNERS

We are pleased to announce that FS&D and KERAMIDA are partnering to provide Industry Process Know-How combined with Environmental Expertise.

# SILICA COMPLIANCE

### FS&D and KERAMIDA can assist with the following Respirable Silica Reduction Program:

- Assembling and Documenting the Exposure Control Plan
- Exposure Studies and Mapping
- Evaluation of Existing Processes and Practices (Foundry Audit) to Determine Source and Work Practice Reduction Opportunities
- Reassess Respirable Silica Exposure Levels
- Investigate and Recommend Ventilation / Air Pollution Control Improvements
- Assistance with Process Control Improvement Implementation and Related Services
